Day Three – DPL Home Page Internet Exercise

Consumer Reports – DPL provides access for DPL patrons to articles from Consumer Reports issues and other publications. This exercise demonstrates “how to” retrieve these articles.

1. Start at **DPL Home Page**
2. Click **Database A-Z**
3. Click **Academic Search Premier**
 - Enter your **library card number** in the text box, click **Enter**.
 - Enter your **last name** in the text box, click **Enter**.
 - For steps 4 & 5 lower case is ok
4. Enter **water filter** in the **Find** text box, enter **Consumer Reports** in the **Publication** text box and click **Search**.
5. Confirm there are resulting articles from Consumer Reports related to water and water filters
6. Click **“Fit to Drink”** to view the entire article

Access
From
Home

Find a Person – DPL provides access for DPL patrons to **Reference USA**. This site allows you to search by name or phone number to find more information about a person.

- i. Start at **DPL Home Page**
- ii. Click **Web Sites by Topic**
- iii. Click **Directory Listings**
- iv. Click **in search box**
- v. Enter **your information**
- vi. Click **Search Now** and then click Continue
- vii. Check the name and address; does this make sense?
- viii. Click **Back** (to the Quick Search Page)
- ix. Confirm all text boxes are clear then enter **your phone number**
- x. Click **Search Now** and then click Continue
- xi. Did information on the same people display?

Advanced Exercise: What Can I Bring on the Airplane? – DPL provides links and access to a variety of government publications and information. This exercise is advanced because the steps are “summarized” for the discerning user to determine the next step.

1. Start at **DPL Home Page** and then go to the **Subject** Categories
2. Now you want to find information about air travel (**Government Publications, Denver, Denver International Airport**)
3. Look through the resulting web page to find a link to a page that provides information on whether aerosol hair spray is allowed on airplanes. It’s all related to airline security.
